## Directors' Meeting

The Board of Directors of S.A. D. 44 met in regular session at the Woodstock Elementary School on Monday evening of this week. Following an executive session the Directors approved the readmission of three students who had been expelled by Board action earlier in this school year. Their discipline records are to remain as they were when leaving school with homework at the discretion of the High School Principal. Two of those involved were to enter back into school not later than Nov. 16. A third is to be readmitted following completion of a Pupils' Evaluation Team report, entering back into school no later than Nov. 21.

Returning from a second executive session the Board found a Telstar student guilty of being deliberately disobedient, deliberately disobedient, and for infraction of violence upon the High School Principal by a vote of 11 yeas, 4 nays, with one abstention. By roll call: 11 yeas (Darlene Hall, Rex Thurston, Robert Blake, Kay Chadbourne, Victor Coolidge, Ruth Feeney, Sylvia Cross, John Haines, Harry Swan, Paul Hillquist, Sheryl Wilbur); 4 nays (Meriton Brown, Stanley Howe, Roger Wheeler, Stephen Yates); one abstention (Eva Twitchell, due to prior knowledge of incident).

A motion to expel the student for the "peace and usefulness of the school" failed, with the following roll call vote being recorded: 8 yeas (Hall, Blake, Coolidge, Swan, Hillquist, Wilbur); 9 nays (Thurston, Brown, Chadbourne, continued on Page Four

## ANNUAL VETERANS DAY PARADE HELD NOV. 11 AT LOCKE MILLS

The rain held off on Friday, Nov. 11, so the annual Veterans Day parade could start on schedule. This village activity is sponsored by Jackson-Silver Post 68 American Legion in Locke Mills. The Telstar marching band was a bright spot under cloudy skies, as they furnished the music for the marchers.

Carole Wright riding her palomino, led the parade, with her dad, the Post Commander, Charles Mason and Unit Commander Cathryn Lovejoy, just behind her.

The Post colors and their guards were in their usual positions, followed by the members on foot, including a guest, Service Officer Howard Eisman, who belongs to the Oxford Post.

Cars were available for World War I and the disabled Veterans. Comrade John Head of the Bethel Post drove car No. 1, carrying WWI veterans Charlie Clifford and Albert Skilling.

Alanson Cummings, also WWI, had the speaker, Chester Worthington and Mrs. Worthington of Brunswick and Comrade Everett Cross in car No. 2.

## FROM THE bethel town office

### Animal Control Officer Position Opening

Applications for the position of Animal Control Officer for Bethel are being accepted at the Town Office. Application blanks are available at the Town Office counter window and the Town Manager and Town Clerk are available to answer questions applicants might have regarding the duties of the position. Interviews with applicants are tentatively scheduled for the week of Dec. 5.

The resignation of Dianne Hunt, who has capably served in this position for almost three years, was accepted last week by the Board of Selectmen to become effective Dec. 31, 1983. Although the title is Animal Control Officer, most calls relate to dogs who stray away from their owners. The duties of the position are defined in a Town Ordinance passed by the 1980 Town Meeting, and offers challenging rewards for someone interested in animal welfare.

Cable TV—One Last Time Our ups and downs on the subject of cable TV have been like the proverbial roller coaster. In recent weeks some of the dust from events has settled and we can see more clearly what the future might (and might not) bring.

The likelihood of vendor-provided cable TV in Bethel is very remote. The vendor has withdrawn his proposal submitted to the Planning Board earlier this year and other companies who are "looking" at Bethel are quick to point out that low population density and long distances to run cables might not yield a profitable venture. According to cable TV industry authorities a density of 30 to 40 houses per mile and at least 1,000 consumers are needed in order to provide a cable TV vendor a reasonable chance to make a profit on the investment. Surveys show that Bethel figures average, at best, half those basic criteria.

Citizens planning antenna changes should probably be guided by the above information provided by the industry and not count on vendor-provided cable TV coming to Bethel. These and other experts tell us that technology might come to our rescue within five years as producers make available at lower costs individual roof-top dish antennae and associated electronics packages.

The Bethel Town Office will be closed on Thursday and Friday, Nov. 24 and 25, in observance of Thanksgiving.

## HISTORICAL SOCIETY TOPS \$5,000 IN 1983 CAMPAIGN

Howard W. Cole, chairman of the Bethel Historical Society's 1983 Endowment Campaign announced this week that over \$5,000 has been raised toward meeting that \$5,500 goal. "I am gratified that so much progress has been made to date," Cole said. "It looks more than likely that we will reach our goal in the next few weeks," he added.

The Endowment Campaign committee of the Society was established in June of this year by the Board of Trustees to raise additional endowment funds for the Society. The long-range plan of this effort is to add much needed staff and provide additional facilities for the collections of the Society in a timely and adequate manner. Assisting Cole this year are John B. Head of the Society's Investment Committee; Barbara D. Brown of the Membership Committee; E. Louise Lincoln, Assistant Treasurer and Helen A. Morton, representing the Board of Trustees.

The Society sponsors a full range of programs and publications, including craft fairs and its quarterly newsletter which is sent to the over 500 members. Cited with a certificate of commendation in 1975 from the American Association for State and Local History for "an effective program of preservation, publication and education," the Society was also recognized in a museum assessment program evaluation sponsored by the American Association of Museums in 1982 for "its scholarly research, its publications and academic involvement."

Anyone wishing to assist the Society in meeting its 1983 goal is urged to send it to P. O. Box 12, Bethel, Maine 04217.

## Swan's Corner

Sent in by Viva Whitman:

Started the week off as usual by going somewhere and it was a trip to Rumford this time. When we got home, Bryce was here loading up wood to move. He had a big crock down cellar. He had had his pig dressed off and needed the crock to make salt pork or fix hams or something. Anyway, Russell helped get the heavy thing upstairs and in so doing, his back has been on the bum. It's awful to have such delicate backs. After lunch, Russell and I went to West Paris with a load of stuff and then to Norway to measure the skirting on the mobile home to see if we could use it after it was taken off. Just got home when Loretta Merrill called to let us know she was back from Florida. She had driven down with her mother, Peggy Blake, and then flown home after a day or two visiting her sister and family, the Ott's. She reported a good trip down and a fine time too.

Tuesday morning found us on the way to town where Russell did a few errands while I did the wash. Went home and did a little more packing and after lunch was back in town to attend to a business transaction.

What a lovely warm day Wednesday turned out to be. Russell had to go get his back tinkered and I went to the store to buy boxes while he was occupied. It takes a lot of boxes to pack for moving.

What a day Thursday was! We were to meet my daughter, Wynona Woolf and husband Michael with baby Courtney at Norway at 8 o'clock as Michael was to help Russell take the skirting off the mobile home we are to have. We

got up bright and early and were on our way. Beat them getting there by a few minutes, then I got into their car with Wynona and Courtney and headed for Lewiston where I had business to tend to. Michael and Russell went to work on the skirting and work it was. They got it half off and then met my daughter and I at the Woolf residence. We all went out to lunch after which, Wynona, Michael and Courtney headed for Ellsworth to visit with his sister for a couple of nights. They also made a trip to Machias to visit with several of the teachers they had when they were in College there. Wynona reported a good time and everyone glad to see them and the baby. After they left, Russell and I came back to Norway and loaded the skirting they had taken off, onto the trailer behind the car and Russell took it to High Street, West Paris while I attended a meeting. As soon as the meeting was over we hurried home to tend to the dog and get fires started to warm the house. We were rather tired and ready for some rest.

Of course I had to make my usual trip to Fryeburg on Friday. Not a very good day weather-wise, but had one or two incidents take place on our way. We go Rte. 5 to go to Fryeburg and were driving along when we saw a beautiful horse trotting on the road toward us with his head held high and his tail also. He sure was a pretty picture strutting off his stuff. I would call him a white horse but some would call him grey. Anyway, he had gotten away from his master or mistress and was on the go. They were trying to catch up to him and sure hope they managed to before he got run into or anything. Also had a couple cars come out in front of us and as Russell said, "If I hadn't been on my bean water we could have had an accident." I was glad he was on his bean water if that was what it took to stop in a hurry. Got home in time to do

a little more packing; a little here and a little there and it gets done.

Off with another load on Saturday. The car should know its own way by now as many trips as we have made but there are more to come I'm afraid. Left some stuff in Hilda and Gerald Taylor's cellar and visited with them for a short while and then home to pack a little more.

Sunday turned out to be a big day too. Russell and the dog went for a walk and then with the trailer behind the car we headed for West Bethel to get Jimmy Merrill who was going to help Russell take more skirting off the mobile home. Hoped to get it done before the day was over and was. When the last of the skirting was unloaded we headed for Bethel and West Bethel to take Jim home. Stopped for a few minutes to see his parents, Loretta and Emerson Merrill. Samantha came while we were there so got to see her too. Sunday certainly was a beautiful day even though cold, but it did warm up quite a lot throughout the day, for which we were thankful.

I want to report the next Bear River Grange meeting will be held Nov. 26 with the usual 6:30 pot luck supper before the meeting. Throughout the winter months, the Grange will hold one meeting a month on the fourth Saturday of each month.

Have watched on our many rides for deer but haven't seen any so am wondering how the hunters are doing finding deer with antlers. Russell says he thinks they have got to get pretty close to see whether the deer has horns that are at least three inches long. He doesn't think the deer are going to let the hunters measure their horns at all.

Congratulations are in order for Jeff Mills for winning the election on Nov. 8. May the Good Lord help him to do his best for all while in the Maine Legislature.

I've got to mention one thing before I quit this week. I hope that the Good Lord helps Colista Morgan to get well fast. I always enjoy her writing and have often wondered why she didn't write a book. Her wonderful descriptions of her many walks makes one feel as though they were walking beside her. I love nature but never could find adequate words to describe what I was seeing, but Colista does a marvelous job finding just the right words. Hope she is feeling much better by now.

Approximately 70% of Newry's registered voters cast ballots in the Nov. 8 election. Newry voters favored retaining the moose hunt by a five to one margin.

Selectman Stephen Wright, Fergus Lea of the Androscoggin Valley Council of Governments, and a representative of the D.E.P. re-examined a proposed sewerage dumping site, which had previously been rejected by the D.E.P., Thursday, Nov. 10. A hole was dug Thursday and the top soil seemed suitable. If approved, the site would be operated by the land owners, Stanley Roberts and Franklin Harrington, with individuals paying a fixed fee per load for dumping.

Communion Services will be held at the New Community Church Nov. 20. Pastor Rodney Hanscom and Rev. Norman Rust of the West Bethel Union Church will exchange hosts Sunday, Dec. 11. Mrs. Dorise Dore, Concord, N.H., is visiting her daughter and son-in-law, Betsy and Richard Clark.

# What to do if your phone rolls over and plays dead.

With the Bell System breaking up on January 1, a lot of people have become concerned about how they'll get telephone repair service.

Not to worry. New England Telephone will still be your local phone company. And we'll still maintain and repair phone lines. Just as we always have.

However, New England Telephone will no longer provide home telephone equipment. So we can no longer repair telephones.

Therefore telephone repair service is now being divided into two parts: phones and phone lines.

Understanding the new policy will save you time and money. And give you the service you need when you need it.

**How to get your phones fixed.**

Just think of your phones the way you think of any other appliance. The company that sells you the appliance generally provides repair service.

So, if you buy phones—whether from AT&T or any of the many companies that now sell phones—check into their repair policies. And make sure you get a good service warranty.

If you bought your phone from New England Telephone, it will be serviced by AT&T after January 1.

If you decide to lease your phones, simply keep the ones we've provided. After January 1, you'll automatically be leasing from AT&T. And they'll maintain them.

The new number to call for phone repair is 1 800 555-8111.

**What if the problem is in the line?**

After the break-up, New England Telephone will continue to maintain and repair phone lines so you'll continue to get the good service you've always been able to count on.

If your problem is not with your phone, but with your phone line, call us. We'll come out and fix it right away. Free. As we always have.

The number to call for line repair is 1 555-1611.

**How can you tell whether it's the phone or the line?**

If you're not sure whether the problem is in the phone or in the line, here are some suggestions.

The problem is probably in the phone if the phone is obviously damaged.

Or if you have more than one phone and only one is not working, chances are the problem's in the phone.

But if none of your phones work, the problem is probably in the line.

You can test your phone by unplugging it and trying it at a neighbor's house. Or, if your phone's from AT&T, you can test it at an AT&T PhoneCenter.

It's important to determine whether it's the phone or the line that needs repair. Because, after January 1, if New England Telephone sends a repair person out to fix the line and it turns out the phone is broken, we can't fix it. And we have

to charge you for a service call.

It's not as easy as it was.

Nor as difficult as you feared.

After the break-up, New England Telephone will maintain and repair phone lines. Whoever provides your phones will be responsible for their repair.

It's that simple.

But if you have any specific questions about the kind of repairs you need or who should provide them, call us at 1 555-1611.

If you have general questions about the changes outlined here, call our toll-free "Let's Talk" number. It's 1 800 555-5000. Monday through Friday from 8:30 a.m. to 5:00 p.m.

Or watch for more detailed information with your bill.

Keeping you informed about all the changes that are taking place is part of our commitment to giving you the best phone service we possibly can.

The Bell System is breaking up, but New England Telephone's got it all together.

Rev. Cummings offered grace after which a nice supper was efficiently served and thoroughly enjoyed in the delightful atmosphere of the Inn's dining room. Following the meal, the group was entertained with music sung by the West Bethel Church Choir under the direction of Nesta Littlefield.

Duets by Cathy Hoy and John Yates, who are affiliated with the Northern Lights Singers, were also enjoyed. It was both a pleasure and a privilege to listen to such musical talent.

## FROM THE BETHEL AREA HEALTH CENTER

**For Your Information**  
The Bethel Area Health Center is a community health center which continues the tradition of personalized family medical care. It uses the skills of the Center's full time Medical Director, Patricia D. Williams M.D., and Jan Whitworth P.A.

In the organization of the Health Center it was determined that the best interests of the area would be served by providing "appointment" service rather than a "walk-in" clinic in order to cut down on waiting room hours—except, of course, in emergencies or urgent conditions which would be treated as soon as possible.

The staff has received training in determining what is and what is not an emergency. Appointments are left open daily, which are filled by acutely ill people. This procedure is planned to lessen fifty minutes in the waiting room as much as possible.

The Bethel Area Health Center provides 24 hour emergency coverage. In case of emergency dial the Health Center's number, 824-2193. Please have paper and pencil handy to write down the number of the person who is on call. Listen to the full recording as the number will be repeated. Also there is a back-up number in case the number that you have dialed cannot be reached. The back-up number is the number of the answering service.

The back-up system is an important part of providing communication between the public and the Health Center. It allows a certain amount of mobility for the provider. For example, he/she can be at or enroute to patient's home or enroute to the Health Center and still have the back-up system to let her know that he/she is being paged and can then return your call. Remain calm, listen to the full recording and follow directions.

### ELEANOR GORDON GUILD

The Eleanor Gordon Guild met Wednesday night, Nov. 16, at the Methodist parsonage with Sally Downing as hostess. The seven present made over 130 popcorn balls for the harvest sale Friday and Saturday. It was voted to furnish the candy bags for the Methodist Sunday School Christmas party. It was decided to bring wrapped Christmas gifts to the next meeting to send to the Augusta State Hospital. This December meeting will be a pot luck supper and Christmas tree. Delicious refreshments were served by the hostess.

**MRS. FLORIDA B. BAKER**

Mrs. Florida B. Baker of Bethel died Monday night, Nov. 14, 1983, at the Andrews Memorial Hospital, South Paris, where she had been a patient since 1977.

She was born at Lewiston, March 25, 1886, the daughter of Charles and Elvina Juntus Provencher. She was educated in the Lewiston and Gorham, N. H., schools. She married Joseph C. Baker at Gorham, N. H., in September of 1903. Mr. Baker died in 1943. Mrs. Baker was a homemaker in Bethel most of her married life. She was a member of the Our Lady of the Snows Church in Bethel.

Surviving are seven daughters, Mrs. Marie Harrold of Pocono Pine, Pa.; Mrs. Lillian (Dora) Gardner of East Waterford, and Mrs. Eva Buckman, Mrs. Alice McAllister, Mrs. Dorothy Onorio, Mrs. Yvonne Nowlin, and Mrs. Margaret Buck, all of Bethel; five sons, Alphonse of West Newfield, Joseph Jr. and Romeo, both of Bethel, Wilfred of Wilson's Mills, and Levi of Baldwin Park, Calif.; a sister, Mrs. Leona LaChance of Gorham, N. H.; 33 grandchildren; 74 great-grandchildren, and several great-great-grandchildren. A daughter, Mrs. Laura Bennett, died in 1980.

A Mass of Christian Burial was celebrated Wednesday afternoon from Our Lady of the Snows Church, Bethel. Interment was at Holy Family Cemetery, Gorham, N. H.

**ROBERT E. CHAPMAN**

Robert E. Chapman of 490 Turner Street, Auburn, native of Bethel, died Sunday morning, Nov. 13, 1983, at his home following a long illness.

Born at Bethel, June 24, 1916, he was the son of Sidney and Alberta H. Arkket, Chapman. He was educated in Bethel schools and attended Gould Academy.

During World War II Mr. Chapman served in the U. S. Army, and on Nov. 15, 1953, he was married to the former Caroline Berry. For many years he was quality control inspector for experimental aircraft at Pratt and Whitney at East Hartford, Conn., until his retirement on April 30, 1975.

He was a member of Bethel Lodge No. 97, A.F. and AM, of the International Association of Machinists and Aerospace Workers. Survivors include his wife of Auburn; his mother of Plainville, Conn.; one daughter, Mrs. Michael (Sheila) Perkins of Freeport; one brother, Manning of Bethel; one sister, Joyce Richards of Plainville, Conn.; and one granddaughter.

Funeral services were held Tuesday afternoon at the Plummer and Merrill funeral home, Auburn, with interment at the Mt. Auburn Cemetery.

Think about it! If you stop and think, chances are there are one or two items on someone's Christmas list that you could buy locally rather than at the big-city department stores. Local merchants appreciate your business much more and besides, a healthy Bethel economy is good for everyone.
